DOAR Expert Witness Referral Program

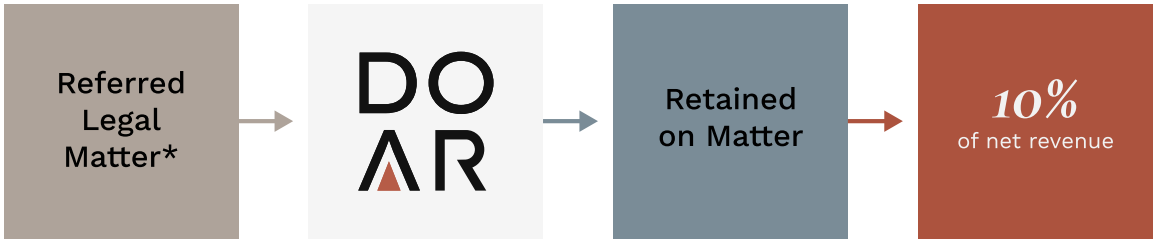
A Valuable Partnership. More Opportunities. Broader Client Support.

DOAR has supported thousands of matters across jurisdictions, industries, and practice areas—many involving bet-the-company risk, precedent-setting outcomes, and significant public scrutiny. Our integrated approach spans expert witness services, jury consulting, and trial consulting, ensuring clients receive clarity, insight, and expertise with every engagement.

Through the DOAR Expert Witness Referral Program, we invite our affiliate experts to build on our partnership by connecting DOAR with matters where our expertise and consulting services can add value.

How It Works

As a recognized expert in your field, you may become aware of matters requiring expert witness testimony or sophisticated jury and trial consulting support. By introducing DOAR to these opportunities, you can provide clients and colleagues with access to a broader range of litigation resources while helping us develop relationships that can create opportunities for our experts well into the future.



**A new legal matter you know of, or a case in which you serve as an expert through DOAR or otherwise, that could benefit from our trial consulting services.*

As a thank you for the introduction, DOAR will pay you 10% of net revenue collected on billable hours for qualifying matters you refer to DOAR.
